

Development of the day: modern luxury along Biscayne Bay

It's a modern oasis the homebuyer never has to leave

inman STAFF WRITER inman MI | Feb 2, 2016

Currently under construction, this five-bedroom, seven-bathroom home spans 4,815 square feet with an open concept floor plan and sleek modern architecture.

The home is slated to be available by early 2016 and features all the amenities a buyer needs. It boasts ocean access, a luxury pool and spa, impact resistant windows a sunbathing veranda.

The home at [1510 Bay Drive](#) is listed for \$5.9 million by Luis Dominguez of SunLife Realtors.
