Rapper Lil Pump has dropped \$4.89 million on LF Development's project at 1510 Bay Dr. Miami Beach, FL which was completed in April and listed with Luis Dominguez and Karl Hueck of Douglas Elliman. According to the deed filed last Wednesday, Gazzy Garcia also known as rapper "Lil Pump" known for his "Gucci Gang" song is the buyer of the Miami Beach home represented by Luisa Taylor of The Agency Collective. LF Development is the same development company behind the Miami Beach property sold to Hassan Whiteside of the Miami Heat.

Located on Bay Drive in Miami Beach the 5,100 SF home features 5 bedrooms and 7 bathrooms overlooking Biscayne bay views and includes a 3rd floor rooftop terrace with sunset views located on Normandy Island. The home features luxurious textures, exceptional finishes and one-of-a-kind design bringing soul to the open living space. Outside offers a completed automated LED lit pool and spa with stunning landscaping inspired by Raymond Jungles.
